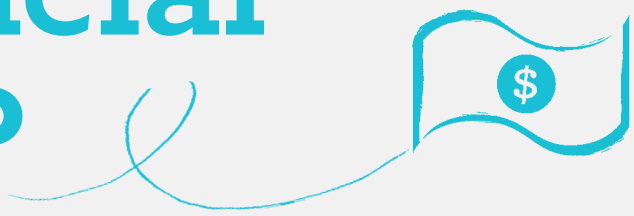
Do you want to help your clients improve their financial wellbeing?



If you are employed by or volunteer with a community organisation in a structured program, you may be eligible to attend **free MoneyMinded coach training.**

MoneyMinded coach training will prepare you to work with your clients to build their money skills, knowledge and confidence in areas such as:

- Goal setting and budgeting
- Credit providers
- Dealing with debt
- Everyday banking options
- Tenancy and home ownership
- Superannuation.

"This is one of the most valuable training courses I have completed; I recommend it to all my work colleagues. It also changed my personal finances for the better".
- MoneyMinded coach.

- MoneyMinded coach guides
- Case studies
- 200+ interactive participant handouts
- Prompt cards
- Overview animations
- Character cards
- Notebooks
- Tote bags
- Pens.

"MoneyMinded is a great selection of tools to encourage people we support to think about their relationship with money, and encourage active participation in financial decision-making in small but meaningful ways".
- MoneyMinded coach.

MoneyMinded is a comprehensive suite of adult financial education resources, developed to help community educators and financial counsellors assist people to build their financial skills, knowledge and confidence. ANZ developed MoneyMinded in 2002, in conjunction with the NSW Department of Education and Training and an advisory committee including Financial Counselling Australia (FCA), the Financial Counsellors Association of NSW (FCAN), the Australian Securities Commission (ASIC) and community sector representatives. MoneyMinded does not directly promote ANZ products and provides unbiased consumer education.
